Applicant asks that the court appoint a Special Administrator for the limited purposes of collecting and preserving the effects of the deceased and accepting the filing of claims against the decedent's estate.

Applicant states that she is requesting to be appointed Special Administrator to receive claims of creditors that would otherwise expire under the 6 month statute of limitations for creditors to submit valid claims against the decedent's estate. The applicant states that there are currently no known probate assets of this estate and therefore requests that bond be waived under ORC 2109.04(A)(4). If any probate assets are discovered a bond will be submitted. A copy of standard probate for 1.0 is attached. Also attached is a copy of the decedent's death certificate.

Submitted with this application is the fiduciary acceptance as special administrator.
