PROBATE COURT OF ALLEN COUNTY, OHIO

ESTATE OF ERIC S. WOLLESON, DECEASED

CASE NO. 2019 ES 330

APPLICATION FOR APPOINTMENT OF A
SPECIAL ADMINISTRATOR
(ORC 2113.15 and 2113.17)

Applicant states that decedent Eric Wolleson died on 14 June 2016, over three years ago.

Decedent's domicile was 9470 N Jefferson, Lima, Allen County, Ohio. Applicant asks that the Court appoint a Special Administrator for the limited purposes of transferring assets of Decedent and accepting the filing of any claims against Decedent's estate.

Applicant states that he is requesting to be appointed Special Administrator to receive claims of creditors against the estate and to transfer title to two motor vehicles that are still titled in Decedent's name. Applicant states that those two motor vehicles are a 1962 Ford Thunderbird two-door VIN 2Y83Z132898, and a 1968 Mercury Montego 2 door, VIN 8H11F509586.

Applicant further states that the two motor vehicles are the only known probate assets of this estate, the two motor vehicles have only scrap value in their present condition, and therefore Applicant requests that bond be waived under ORC 2109.04(A)(4). If any additional probate assets are discovered Applicant shall promptly notify the Court and a bond will be submitted. A copy of standard probate form 1.0 is attached hereto.

Submitted with this application is a statement from Coldren-Crates funeral home in Findlay Ohio attesting to the fact that the funeral and internment expenses related to Decedent's death have been paid in full.

Submitted with this application is the proposed fiduciary's memorandum and acceptance as special administrator.

Submitted with this application is the consent of Decedent's next-of-kin for the transfer of the motor vehicles mentioned herein.
